From the Shop

Dear Parents

Happy New Year. It has been brought to my attention that the collars of a certain batch of our camel and white golf shirts are not colour fast. The supplier has been notified and a wash test has confirmed that the problem exists. The navy colour of the collar appears to bleed into the camel and white fabric under the colour. The golf shirts that have been affected are ones that have a light blue ribbon tagged onto the spare button on the inside seam of the golfer. Pupils whose golf shirts have been affected (i.e. with the light blue tag) can continue to wear their golfers until such time that the supplier has manufactured a replacement batch at which time parents can return the golfer and receive a replacement garment. We have withdrawn all our golfers from the shelves in the shop and will be without stock until further notice.

I sincerely apologise for the inconvenience and the repercussions this has caused to you and can assure you that the supplier will rectify the situation.

Sincerely

DELICIA MERRINGTON
